

VRIS UPDATE

VR Referral Form
August 10, 2012
Number 342

SUMMARY OF UPDATES

A new referral form has been developed. The VR referral form was created to have one referral form that can be used with any referral source to receive the information that is needed to start working with a client. A PDF and fillable referral form has been created that lists the contact information specific to each office location.

VRIS POSTING

The [referral form](#) is located in vris: Forms and Marketing:Case Service Forms:Application/Eligibility/Planning Forms

TEAM COMMUNICATION

The Office Director should review the changes during their team meeting and emphasize the need to use the VR referral while working with a referral source or school.
