## **Job Planning Resource Guide - Kenexa Effective 9/12/12 Number 344**

### **SUMMARY OF UPDATES**

Separate Kenexa usernames and passwords will no longer be required by each VR office. There will be one URL, username and password for use by all VR staff. The reason for the change is to have the Kenexa results imported directly into the Vocational Evaluation Reports.

The Kenexa Product Guide has also been updated in the Job Planning Guide.
