

VRIS UPDATE

Supported Employment Milestone 1-Alternative M-1 Supported Employment Job Stabilization Agreement

Effective: 2/10/15
Number 412

SUMMARY OF UPDATES

Under certain circumstances, a person who has a job may need supported employment service under the Behavioral Health, Autism or Acquired Brain Injury Milestones. If a VR Specialist determines this is necessary, a referral is made to a provider & the full amount is authorized. The SE provider would use this form as an alternative to the Job Search Agreement Form. (The provider may not bill for the job placement). The alternative report form was developed to meet fiscal and provider needs.
