

VRIS UPDATE

Benefits Analysis Forms Effective 5/19/14 Number 391

SUMMARY OF UPDATES

Updated & added an additional required form to Program Manual: [Case Services Index-Planned Services-Benefits Analysis](#).

DHHS now requires a **new** separate release form for the Disclosure of Protected Health Information. Form name is ESN/DHHS Authorization for the Disclosure of Protected Health Information and is found under Release/Consent/Referral forms. Staff only need to complete the name, SSN, DOB, Signature/Date.

Changed the title on the ESN/DHHS Medicaid Release form to ESN/DHHS Release of Information for Medicaid and Insurance Affordability Programs.

The referral for benefits analysis services now requires all six (6) forms listed in the aforementioned Planned Services-Benefits Analysis.
