

VRIS UPDATE

Fee Schedule Exception Guide Effective Date 10/8/15 432

SUMMARY OF UPDATES

A Fee Schedule Exception Guide has been developed as a resource for all staff to readily identify who within the VR program has the authority to make an exception to the fees for services, goods, and supports listed in Appendix B of Rule 72. **Note:** The services Benefits Analysis, Self-Employment Consultation and Small Business Technical Assistance utilize a written agreement to establish the fee. A revised approved agreement is required to pay a fee that is different from the fee established in a current agreement.

The Rule 72 Exception Chapter and Checklist have been revised to include a reference to the Fee Schedule Exception Guide. The Policy section has had a statement added that the VR Director can make an exception to any service, good or support and is the only one authorized to make an exception to the Interpreter – Hearing Impaired Fee Schedule per Administrative Memorandum 112.
