

VRIS UPDATE

**Cost Sharing
11-04-08
Number 197**

SUMMARY OF UPDATES

There are two policy revisions to this chapter.

The primary revision provides instructions for the local office on how to facilitate a consumer's required or voluntary cost sharing contribution. It is important to understand that local office staff are not to handle or accept the consumer's contribution.

The other revision clarifies which recipients of VR services are still subject to required cost sharing based on the revised Rule 72 of July 1, 2008.

VRIS POSTING

This chapter is posted to VRIS: Program Manual: Employment Program: Cost Sharing.
