Understanding Your Rights as an Applicant

What are my rights? You have the right to have your application handled fairly and promptly. Determination of eligibility for VR services needs to be completed within 60 days of VR receiving your application. Any extension of this timeframe requires your consultation and agreement.

Informed choice. You have the right to take part in meaningful decisions about the services you receive throughout the VR process. If you require assistance in exercising informed choice, support will be provided.

Inclusion. You have a right to receive services in an integrated setting.

Access to your records. If you or your appointed representative make a written request, VR will let you look at and copy information in your service record, except for information which another agency, organization, person, or Federal regulations say we cannot release to you. If you think any information in your record is inaccurate or misleading, you can ask us to change it. If we do not change it, we will put that information in your record.

Both you and VR must volunteer to take part in mediation. A qualified and impartial mediator who is trained in effective mediation techniques will do the mediation.

Review of eligibility and priority group decisions If you want a review of a decision about your eligibility or priority group, you may file a petition for an impartial review. An impartial hearing officer using the Nebraska Department of Education's Rule 71 (Title 92 Nebraska Administrative Code, Chapter 71) will do this review. You can ask VR or the Client Assistance Program for a copy of this rule, or get a copy at: <http://vris.vr.ne.gov/>. The copy will include a sample petition form. The website also includes information about VR policy and procedures.

Your petition must tell the factual reasons why you want the review and concisely tell the solution you want. You must submit your petition within 30 calendar days of the date you receive the written decision. Send your petition with a copy of the written decision you want reviewed to:
