

On-Line Access to Pay Stub

You will be set up on the State of Nebraska Department of Education bi-weekly payroll for the Work Based-Learning Experience or On-the-Job Training/Evaluation you are participating in. Once you have been paid, you will be able to view and/or print your paystub by logging into the state's website (<https://pfc.ne.gov>).

A letter with your user id and password will be sent to you once you have started working. Access to the state's website is only available on a state government network so you will need to log in from the VR office to access your paystub. If you are not on the state network (VR office), you will not be able to log in.

Once logged in, you will click on the Navigator icon  at the top of the page, and then select **STATE OF NEBRASKA → Self Service → Pay Stub Review and Print** to print your paystub.

*****It is important to note that access to your paystub(s) will end one week after your final pay date.***

If you encounter login issues or miss the deadline to print your paystub:

- Email NDE Human Resources at nde.hr@nebraska.gov (include your USER ID).
- If you are unable to email, contact your VR Specialist for assistance contacting NDE HR.
