We both need to be fully involved for your job search to be successful.

If placement has not occurred within 90 days, both the Client and Specialist will review this Job Search Agreement.

Consent for Completing Applications. This consent form gives Nebraska VR permission to complete online, electronic, or paper applications on behalf of the Nebraska VR client. These applications will only be completed while in direct contact with the client or authorized representative (phone, Zoom, FaceTime, Skype, etc.). The application may include a statement regarding the third party completing the application on behalf of the client, as well as appropriate contact information for the employer to contact the Nebraska VR client directly.

Consent to Sign: I authorize the use of this form, or a photocopy or fax of it, to complete online, electronic, or paper employment applications on my behalf. I understand I may revoke all or part of this consent at any time by providing a written notice to Nebraska VR. In any event, my authorization will end on the day I cease to be an applicant for, or recipient of, services (including Post Employment services) from Nebraska VR.

- Checking this box means I agree with the information on this Job Search Agreement and **give** my consent for VR staff to complete job applications on my behalf.
